

# TEACCH TIPS

## **HALLOWEEN**

While Halloween is meant to be a fun holiday, it can be stressful for children with ASD for many reasons. We feel like it is the perfect time to share a social story and some tips for trick or treating.

# **HALLOWEEN**

Halloween might be fun for me.

I get to dress up in a costume. It might be cool or scary.

My friends and family might dress up, too!

I get to go trick or treating.

Dressing up and trick or treating on Halloween might be fun!

### TRICK OR TREAT TIPS

1. I choose a house.

2. I knock on the door or ring the doorbell.

3. I hold up my treat bag and say, "Trick or treat!"

4. I get a treat.

5. I say "Thank you."

## **HALLOWEEN**

# Trick - or - Treat!

My name is:

\_\_\_\_\_

I have **AUTISM** and I can't say  
"Trick - or - Treat"

Thank you for understanding and  
**HAPPY HALLOWEEN!**
