

Connecting Autism Awareness & Oral Health Care

Children up to age 21 with Autism and Intellectual
Developmental Disabilities

Durham County Department of Public Health
Tuesday, April 19, 2016
8:00am until 1:00pm

Join us as we host our 2nd Annual Autism Awareness Dental Clinic
for Durham County residents.

The free clinic is dedicated to promoting good oral health
tailored to each individual's developmental needs,
providing a successful visit for all.

Additional Resources Will Include:

- Oral Health Education
- Nutrition Education
- Community Resources and Information

Free dental services are available to children who meet the following requirements:

- Have Medicaid (Not Health Choice)
- Have **NO** Medical Insurance
- Have an identified Intellectual Developmental Disability

Appointments are available until the event is full. For additional questions or to schedule
an appointment, call 919-560-7680.
