

**BLACK FAMILIES
and PROVIDERS
ACCESSING
SERVICES TOGETHER**

A UNC TEACCH Autism Program Project

Have you ever been told your child has an autism spectrum disorder?

Did you ever have challenges...

**? finding ways or people to
help your child?**

**? finding the right
providers?**

**? getting the right
diagnosis for your child?**

**? getting providers to
hear your concerns?**

Our research project wants to hear from you!

WHO

Black families with
children 8 and younger
with concerns about
development or autism

WHAT

Share your experience
with us about the
successes & challenges
getting the services
your child needs

WHERE

Virtual focus group
through Zoom
\$50.00
for participating
