TEACCH SCHOOL TRANSITION TO EMPLOYMENT AND POST-SECONDARY EDUCATION

T-STEP is an intervention developed to support transition to employment and post-secondary education for autistic 16-21 year olds who will or have received the Future-Ready Core high school diploma.

The purpose of this research study is to examine the effectiveness of the TEACCH School Transition to Employment and Post-Secondary Education (T-STEP) Program. Students participating in this study will:

- Participate in group and individualized sessions.
- Be counseled in career exploration, higher education, and self-advocacy.
- Identify skills, strengths, and supports to use in post-secondary and employment settings.
